

Dear 9th Grade Families,

Last week you may have received a text about a 9th Grade Mask Pick/Up Event and Advisory Photo Competition happening this Thursday and Friday. Due to the significant snowfall that is supposed to come later this week we will unfortunately have to postpone/ cancel this event until further notice.

Please note that we will send out another auto text to students with the new date for this.

Please reach out to stsamuel@excelacademy.org with any questions.
