Dear Families,

**Excel Academy Charter High School will hold Family Conferences on Thursday, February 4th from 12:00PM – 2:00PM and from 3:00PM – 6:00 PM.** Families will meet with the student's advisor to discuss academic performance and review the quarter two report card. Students are not required to attend Quarter 2 Conferences, though they are welcome to join if the family prefers.

Conferences will again be held over Zoom for Quarter 2 as the school building remains closed. Your child's advisor will send you the Zoom link and more detailed information about when and where your family should plan to attend by next week.

**11<sup>th</sup> grade families**, in addition to conferences, please look out for an email from your College Career Counselors.

Warmly,
