

Dear Excel Students & Families,

We are excited to begin welcoming more students back into the building for in-person computer based learning starting next Monday the 17th of May.

In order to get ready for computer based in- person learning next week, last night all highschool guardians/ parents have been sent an electronic **COVID Testing Consent Form** via email.

This consent form is VERY important as we look to keep one another safe. Guardian/ Parents please fill out, sign, and submit the electronic form that was sent to you via email. **Important: This form is due by Tuesday May 18th.**

If you have any questions, please reach out to me Mr. Samuel at stsamuel@excelacademy.org
