Dear Families,

Early this morning the internet stopped working at our High School, and we do not expect it to be repaired until this afternoon or evening. We will make two changes to our schedule today to accommodate the lack of internet:

- 1) Students who are participating in REMOTE classes should attempt to log in to their classes today. Some of our teachers are working from home and will be able to hold their remote classes. Teachers who are teaching remote classes from the school will attempt to log in but may be unable to without internet.
- 2) All students will follow a shortened schedule today.
